**LESSON 10: QUIZZ**

1. Prepare the questions below on small cards. Questions on one side and the number on the other.
2. Either pin the cards to a board with the numbers showing or place them into a container.
3. Prepare a score board and display.
4. Divide the group into two teams.
5. Ask each team to suggest a team name and write them on the score board.
6. Children from each team take turns in selecting a question for their team. If they get the question right, their team scores a point (or ten or a hundred or a thousand, whatever value you choose). If they get it wrong, the other team can try to answer it correctly and win a bonus point for their team.
7. At end of quiz, tally up each team's score. Give two stickers to each member of the winning team and one sticker each to the runners up.
